

**Fairy**

Once in every life time a mortal needs a Good Fairy. I am that good fairy. Colin the Miller's son has been grievously wronged and is deserving of my help. This humble cat shall have a hero's part to play. Poor sleeping Whiskers my fairy powers shall reach your master Colin, through you. The fates decreed that you should break your journey here. (*Goes to rocks and picks up boots from behind*) To help you in your task, I offer these magic boots. Henceforth you will be no ordinary cat, but a Puss, in boots.
